

Conclusions ASTROCULTURE COURSE

Tabriz, Iran, 2020

This is the first course of NASE focus on Astroculture. NASE organized several courses face to face involving Astroculture, but this is the first occasion that NASE organized a course online relative to Astroculture

Most of participants likes the workshops and they saw it useful.

Some of them said that they will be interested to be more involved in the course. They could present several examples about Astronomy in the ancient culture of Iran.

They also see this workshops very interesting and useful and they hope we can continue it much better and more in the future. We will get in touch with you very soon with new plans for the rest of the year. The participants are waiting a new course

It is always a pleasure to work with NASE. Thank you.
