What especially criticize?

- I dont have
- Workshop was very useful but i like more working groups
- The connection
- None
- Everything is great as always
- It is better for the participants to be in the same age group
- The level of the subject at the workshop 1 and 2 were little basic
- It was great, I hope to see you in the future courses use your great information useful
- This culture is good.

What you would value more?

- Working groups
- The fact that it was not limited to a city or a country
- This opportunity you give us.
- Practical work
- The device that we made was funny and really useful esp how to use them
- Everything
- Classes are in-person or with Skype
- Remain a humanity science and culture
- Wrkshops
- Cooperation
- Education students who are futur teachers in school.

Other observations (it is important to have them!)

- Nothing to add
- Very very excellent
- No idea
- There is nothing

- Absolutely
- Spreading between Iran and other country.
