

Conclusions ASTROBIOLOGY COURSE

MANILA, 2020

In the closing session of the course the participants write in the chat their opinions about the course:

- Thank you so much for today's sharing. Looking forward for more on our next session!
- Thank you so much for sharing your knowledge to us!
- Thank you so much! You are very generous with these info and resources. These can help us a lot!
- Wonderful activities. Yay! Thanks a lot very much
- Very clear explanations :)
- I am really amazed with the Yung Astronomers Kit. I can incorporate that in my class this coming week since we are going to talk about celestial bodies
- Can we have a copy of the Activities for our students? Thank you very much po! In the Planetarium, that story of Goldilocks is being shown.
- Thank you for planets and exoplanets - workshop
- Hello can we ask a copy of all the presentations? It is very useful. Thank you and God Bless
- Wow. That was a lot!
- There's so much we can add to our classroom activities to amplify learning opportunities.
- Thank you & God bless!
- Yesterday, I find the Young Astronomy Kit very helpful. And all the information today add up to my knowledge. Thank you so much!
- Yes, we can definitely use most of the activities in our Earth Science classes, especially the investigation of habitable planets. Thank you very much!
- Yes Mam Rosa, I can use the activities in my class.
- Already bookmarked the NASE website! :) Thank you again! :)
- Thank you very much. I learned a lot from you. There are several activities that can be used on teaching. :)
- No questions because everyone is busy being amazed. Thank you very much
- Doing good!
- Thank you very much for the info.
- Muchas gracias Madam Rosa
- Thank you very much! Really a big help to us Educators
- Thank you so much dear speakers for sharing your expertise. We have gained profound knowledge about the topics presented. They will be very useful in our teaching.
- Thank you so much mam Rosa for learnings. A big help to our students to really enjoy their learning sessions
- Thank you very much
- Thank you, gracias
- Thank you very much!!!
- Thank you. I have learned a lot :)

- Thank you so much ma'am
- Thank you so much mam for sharing your expertise
- Thank you 🙏
- Thank you so much very informative.
- Thank you so much Rosa...
- Thank you for this workshop!
- Thank you very much to all the speakers
- Thank you so much too PNU and NASE
- Thank you so much for great learnings you've shared...
