a) Exchanges and contacts with other participants?

Very interesting	Uninteresting
78%	22%

b) What is your opinion about the usefulness of the course to their teaching?

Very useful	Useful
56%	44%

What especially criticize?

- Rien
- Pas de critiques
- Any
- Plus de temps pour la mise en pratique des activités
- Une date consensuelle serait mieux afin de permettre à tout le monde de d'y prendre part
- Rien
- Nothing much
- The sky is not clear for the observation of the stars.
- Nothing

What you would value more?

- Les ateliers
- La réalisation d'activités et l'observation
- The observation
- Atelier de l'horizon

Other observations (it is important to have them!)

- La phase de la mise en application qui dépend surtout des participants
- We must get in touch with the finance project in astronomy it is necessary to provide equipment (telescope and others) to those you train to help them so that they feel equipped for the work
