

Conclusions of NASE Course of Astronomy

Delhi, India, 2022

At the end of the course, and during the closing session, the participants give some comments. We present some of them such as conclusions:

- NASE and Spaceport India is doing a wonderful job for us.
- I enjoyed all the sessions for working examples in simple methods for difficult concepts also.
- I learned more information on astronomy.
- I was able to explain to my students in simple ways what I learned in these sessions.
- It was a wonderful and very informative experience.
- The activity based introductory workshop was focused on enhancing the knowledge and understanding about the cosmos.
- Learning astronomy in a simplified way was incredible.
- They explained the most complicated concepts with working examples.
