What especially criticize?

- Very well
- If translated documents were uploaded to the website, it would be easier for us to prepare properly.
- Everything was great
- Thank you
- What we learn in this course will make the topics concrete, especially in space units.
- No criticize

What would you value more?

- Activities were fine
- Unfortunately, most of the information is new to me.
- I reach true information quickly through the course.
- The activities are also very exciting and high qualified.
- Communication, sharing.
- Every level student could do understand
- Workshops
- Education and communication

Other observations (it is important to have them!)

- If I have a chance to join the activities face to face, I will be confident with the information I got. I hope I get a chance someday.
- Thank you it was innovative and heartbreaking
- Thank you for everything
- Everything was great.
- Thank you
