What especially criticize?

- Thank you
- Las lecciones eran demasiado largas.
- It would be much productive if it was not online but its the only way we have that course now and I am grateful for that.

What you would value more?

- The course topics are interesting and applicable.
- Getting able to join a platform and sharing the photos or videos of the activities we do with kids and sharing opinions with our colleagues will be exiting
- Thank you

Other observations (it is important to have them!)

- The curriculum and the preparation of a course book based on this course can facilitate the entry of this valuable information into children's lives.
- This course can facilitate the adaptation of knowledge and experience to schools through elective courses.
