What especially criticize?

- You are very energetic and sweet. I enjoyed meeting you, Ms. Rose and Corina. It makes me proud to see you soon.
- Thanks to your efforts, all the content was very comprehensive and very good, but the practical works were done quickly and it was not possible to record it visually
- Nothing
- Please continue the workshop
- I am completely satisfied for your function

What you would value more?

- Friendship between members
- Provide specialized content by conducting simple experiments for teacher and students. You were able to show us this content and it was very interesting and creative.
- Good workshops in classes
- Teachers' experiences
- It was a very good course and I like all the workshops!
- Have a more activity can be helpful

Other observations

- You can have other class with other people in another topic
- Dedicate more time and effort for education of
- Thanks
- Thank you very much

- I hope that it is not the end and we have more communication and courses about teaching techniques and astrobiology
