

Conclusions ASTRONOMY COURSE

IRAN, HORMOZGAN, 2021

At the end of the course and during closing session, the participants expressed their suggestions. Here are several examples:

- In this course we learn important points of astronomy education.
- Thank you all teachers for this perfect course.
- This course reminded us to pay more attention to our world.
- come to Shahab city in Hormozgan province and hold more courses for us.
- Hold an astronomy course for our students
- My family and I, especially my children enjoyed attending the course and learned a lot. Thank you for holding this useful course for us.
- Give us an introductory course in astronomy.
- We are waiting for the next courses.
- We are very happy to participate in this course and we thank NASE and ITAU for holding this wonderful course.
- Thank you, very useful and interesting.
