b) What is your opinion about the usefulness of the course to their teaching?

Very useful	Useful
25%	75%

What especially criticize?

- Le seul hic, parfois on est au travail.
- Au lieu de critiquer, je vais plutôt proposer que les fichiers soient partager au participants avant les séances, comme ça nous pouvons les exploiter avant les séances et préparer nos questions. Par exemple la projection PowerPoint que la Dame à fait aujourd'hui, ce document nous pouvait être envoyé lorsque vous nous avez envoyer les liens pour la réunion. merci.
- None
- La durée

What would you value more?

- Ce serait vraiment intéressant des cours de renforcement en présentiel
- Les ateliers, les groupes de travail et j'aime aussi le temps que le moniteur prend pour répondre au questions.
- Activités- qualité des presentations-debit d'exécution
- Observations et manipulations

Other observations?

- Créer une équipe dynamique autour de Salma pour la promotion de l'astronomie au Sénégal
- Je me répèterai, c'est seulement le partage de documents.
- None
