

Conclusions ASTRONOMY COURSE

MAURITANIA, 2021

At the end of the course, in the closing session, it was open the discussion with participans and there are here several opinions

- Thank you. I enjoy mainly the workshops with the practical activities
- The course was very good, but I would like to repeat the course face to face
- Thank you. I value very much the workshops
- Excellent course. It was a very nice training
- It is good and important to work with NASE
- Thank you. It was an interesting experience that I will use with my students.
