Very useful	Useful
60%	40%

What especially criticize?

- On the second day of astrophysics session I felt the speaker/presenter could have spoken bit more confidently.
- Preparation of tools time insufficient
- All over good.
- School education must be available in this course so I will start to class teaching and practical done by me
- NA

What would you value more?

- It was my first experience of astrophysics, I found the session very interesting and useful.
- Making instruments in easy mode
- Interaction with participants and resource person.
- Very nice presentation of all

Other observations?

- It was my first experience of knowing about astrophysics session. I am amazed with models that were used. It was fantastic and useful.
- Provide topic subject in text or PDF is very useful, why because I am poor in English language understanding
- NA
- Physical science fair and project management studies organization by government of India science and technology department
