What especially criticize?

- None
- No
- I haven't any criticize, I Wish the best of the organizers.
- Nothing
- Succession of the Time for the formation
- I did not have the opportunity to make the observations

What would you value more?

- It's perfect
- We would like more instruments of astronomy, more conference, more formation and the address of conference organizers, thanks.
- your methods, they are very practical.
- All things are passed very well.
- Astronomy workshop
- The explications and experiences
All presentation

Other observations?

- Please, put all of conference formation in book for the students .
- Your methods are practical and accessible to all, it would be good to think about coming to organize face-to-face workshops. Thank you.
- During the courses all the teachers did their best. Their method of teaching is very interesting.
- Very well activities
- The time is so near
- I will propose that the next edition be face to face
