a) Exchanges and contacts with other participants?

Very interesting	Interesting
69%	31%

b) What is your opinion about the usefulness of the course to their teaching?

Very useful	Useful
75%	25%

What especially criticize?

- None
- Nothing to say
- Podia haver mais espaço para dúvidas
- Nada a referir
- I really enjoyed everything
- Curso deveria ter mais trabalho de grupo
- I won't use it for my teaching lessons
- All activities were very interesting.
- Workshop

What you would value more?

- Mais sessões creditadas
- None
- Disponibilidade dos formadores
- Everything
- Valorizei mais as explicações com demonstrações
- The new information about astronomy that I learn.
- I value all to my personal skills
- A virtual visit to the planetarium
- Creativity of theory demonstration activities
- Workshops
- The planning of activities and the construction of materials to support pedagogical exploration.
- Astronomy activities are generally very practical. Therefore, the course would have been well complemented with a night observation, for example, in a normal situation (not in a pandemic situation, just as we are living).
- Learning in group
- Astronomy and History

Other observations (it is important to have them!)

- Nothing to say
- More time
- It should exist another courses like this about different themes.
- Excellent. I love to participate
- None
