What especially criticize?

- Nothing
- I did not criticize anything
- Duration time very long
- Please hold the courses for different rate of ages
- It explains the topics a little easier and was also very classically interesting because of the experiments done online
- Very well
- There was nothing to criticize
- Take a little more time to answer students' questions and explain things more easily
- There is no criticize

What you would value more?

- Workshops
- Mrs Rosa Maria Ros teaching method was excellent
- The workshops and observations are more important for me
- Learning new things and simplification in training.
- All that you have taught us
- Field work
- Actually, I prefer workshops more than other part
- Everything
- Extraterrestrials topics
