

Conclusions ASTROBIOLOGY COURSE

MOSCOW, 2020

In the last session of the course, and after the closing session, the participants write in the chat the following comments:

- Really great lecture and helpful activities!
- Thank you! Very useful demonstrations and instruments
- When can I send materials with my master classes? It is not urgent? Thanks!
- Thank you, it was very interesting!
- Awesome program thanks
- Thank you very much for interesting lecture.
- Thank you very much
- Thank you!
- Thanks! Great course. Very interesting. We are already conducting the yesterday experiments with schoolchildren. The kids love it.
- Thank you!!! It was very interesting
- Thank you! Very useful demonstrations and instruments
